Twenty five students receive refurbished bicycles and helmets from R.J. Donovan State Correctional Facility at Qualcomm

The Annual Bike Giveaway for Needy Children provided twenty five students from Vista Magnet Middle School a refurbished bicycle, helmet and lock. Each year inmates from Donovan State Prison work on refurbishing 100 bicycles to donate to local schools across San Diego County.

Patti Colston, Community Partnership Manager and George A. Neotti, Warden of R.J. Donovan Correctional Facility invited twenty five VMMS students to travel to Qualcomm Stadium on Thursday, December 16, 2010. Each student was joined by a member of various local police agencies during their selection of bicycles. Agencies included California State Police from San Diego State University, Chula Vista Police, California Department of Corrections and San Diego Sheriff Department.

VMMS thanks Vista Unified School District's transportation and administrative offices for supporting such an amazing experience for our students.
