San Diego Padres donate over \$1900 in tickets to VMMS PTA

Through the leadership of Mrs. Linette Baier a VMMS Parent-Teacher Association member, she was able to successfully earn 107 San Diego Padre Baseball game tickets valued at over \$1900. Her donation came from the Padre Charity Ticket Program and Wells Fargo. VMMS is a school that serves a diverse student population and through this donation we were able to provide the tickets to families during our Back to School Night.

Four of the 107 tickets were for Friday, September 24th, Night's game. These particular tickets included lots of Padres memorabilia and were located field level on the 9th row! The remaining 103 tickets were for Sunday, September 26th where each child received free Padres slinky.

The VMMS PTA is committed in providing wonderful and nurturing opportunities to all of its students. It is through these continued efforts that students can have a well-rounded education, learn valuable life lessons, and strive to reach their greatest potential.
