## **VMMS sends the most Middle School Latino Boys to Encuentros Conference**

Held annually in October since 2004, Encuentros Education and Career Exploration Conference event serves an average of 600 middle and high school aged Latino boys each year. At this one-day conference prominent Latino and other professionals team up with local representatives from business, educational institutions and government agencies to deliver personal and professional advice on what is required to succeed in today's working world.

The 7th Annual Encuentros Education & Career Exploration Conferences were held on Saturday, October 23, 2010. VMMS chaperoned 59 Latino boys from 6<sup>th</sup> through 8<sup>th</sup> grade to learn from presenters, teachers and gather with other successful Latino leaders.

The entire VMMS community is proud of Allan's accomplishments!
